

# Q3 FY23 DIVIDEND DECLARATION

## NAOS Small Cap Opportunities Company Limited Declares Fully Franked Quarterly Dividend

The Board of NAOS Small Cap Opportunities Company Limited (ASX: NSC) (Company) is pleased to announce that it has declared a fully franked quarterly dividend of 1.25 cents per share for the quarter ending 31 March 2023. This brings total dividends since inception to 27.25 cents per share, all of which have been fully franked.

### Fully Franked Dividends (cents per share)

It is the Board's aim to continue to be mindful of providing shareholders with a sustainable, growing stream of dividends over the long term, franked to the maximum extent possible. The Company's profit reserve as at 31 March 2023 is 18.2 cents per share.

### Dividend Reinvestment Plan

Shareholders can elect to participate in the Company's Dividend Reinvestment Plan (DRP). To participate in the DRP investors will need to submit their DRP election by 5:00pm Wednesday, 10 May 2023 to Boardroom Pty Limited, either online at [www.investorserve.com.au](http://www.investorserve.com.au) or by email to [enquiries@boardroomlimited.com.au](mailto:enquiries@boardroomlimited.com.au). When shares are trading at a discount to NTA, DRP shares are purchased on-market to ensure this capital management activity is completed without any dilution for existing shareholders.

### Share Buyback

The share buyback remains active, with a further 2.3 million shares bought back over the three months to 31 March 2023. Since the commencement of the buyback in April 2019, over 30.5 million shares, or 18% of shares on issue, have been bought back on-market, which has been significantly accretive for shareholders.

Thank you for your continued support if you have any feedback, please contact the team at [enquiries@naos.com.au](mailto:enquiries@naos.com.au) or (02) 9002 1576.

This announcement has been authorised for release to the ASX by the Board of Directors of NAOS Small Cap Opportunities Company Limited.
